

California Environmental Protection Agency
Office of Environmental Health Hazard Assessment

August 2002

Section 32066 of the California Education Code requires the Office of Environmental Health Hazard Assessment (OEHHA) to develop a list of those art and Craft materials "which cannot be purchased or ordered" for use in kindergarten and grades one through six.

Listed below are products which should not be purchased or ordered for those elementary grades. Unless otherwise noted, the source of this list is Reference 1. References are included at the end of the list.

When certain products are marked with an asterisk (*), purchasers may obtain products in the specific line which bear the CP Certified Product Seal, the AP Approved Product Seal, or the HL/NT Health Label (Non-Toxic) health label.

Questions on this list or recommendations for additional products for listing should be directed to:
